THE BEST OF OUR GROUNDS AND GARDENS

You don't have to venture far to enjoy some of the great outdoors. Here at Lakeside we've got some of the best things to do on Hayling Island right here in our grounds:

Lake and coastal walk

Enjoy a stroll around the glistening lake and along the coastal walk, taking in the sights, sounds and smells of the sea – watch out for flying golf balls though, as this walk crosses the golf course.

Fishing on the lake

Dawn 'til dusk

With carp, perch, roach and tench swimming in its waters, our lake is ideal for a spot of fishing. All users must have a licence but there's no charge for guests, simply speak to our Leisure team to organise your angling time.

Gardens Tour

Able to be conducted by Gavin or one of the team from our Grounds team, this 45-minute stroll around the hidden treasures and curiosities of Lakeside is always fun and informative, with a couple of laughs thrown in for good measure.

BEACHES, WALKS AND WILDERNESS

Hayling Island and the surrounding area really does specialise in the great outdoors, so whether you're into woodland walks, beachside strolls or watching wildlife, there's something for everyone.

Hayling Beach

Three miles of sandy and shingle beach, facing out into the Solent, that has won both the European Blue Flag and the Keep Britain Tidy award, Hayling beaches benefit from sea breezes which keep the temperature just about perfect most of the year round.

Millennium Promenade Portsmouth

A celebration of Portsmouth's rich history, three kilometres of promenade link all the points of interest on the waterfront. Built at the turn of the millennium, the route is indicated by a chain motif set into the surface to symbolise the historic chain that was tightened across the harbour entrance.

Queen Elizabeth Country Park

Bigger than the island of Gibraltar, the local council has invested over £2m in improving this pristine parkland over the last two years. The many walks and cycleways are slightly hilly but lovely in good weather, and the new visitors' centre restaurant is ideal for a cuppa afterwards.

Farlington Marshes

Unusually for a seaside area, Farlington Marshes is actually better in winter than in summer. A huge number of migratory wildfowl descend on the area. The easy 4km circular walk around the marshes is mostly on the sea wall. Keep an eye out for short-eared owls and peregrine falcons.

DAYS OUT

Our team have picked out three of their favourite days out for you to choose from. The Hayling Ferry to Portsmouth is more effective than even the strongest coffee for waking you up, while our local towns and villages offer a somewhat slower, more relaxed pace.

Hayling Ferry to Portsmouth

It's an easy drive to Portsmouth from Hayling Island, but for a taste of sea life nothing beats the 'Pride of Hayling' foot ferry. It only takes three minutes and the feel of the sea breeze on your face is a delight.

Emsworth/Bosham

These two local villages are both worth a visit. Emsworth is a picturesque fishing village, with Georgian houses along narrow streets and waterside views. Bosham is steeped in history (Harold sailed for Normandy in 1064 from Bosham), and is a sanctuary for migrating wildfowl.

VIEWRANGER AT LAKESIDE

What is ViewRanger?

ViewRanger is one of the world's leading digital exploring guides, available for all Apple and Android devices, that lets you explore local areas on foot or by bike like never before. We've joined forces to provide a few routes around our hotels and villages for all levels of fitness. With ViewRanger you can follow the map with or without a data connection, with viewpoints, interesting attractions and helpful advice along the way.

How do I download ViewRanger?

It couldn't be simpler!

- 1** Go to your phone or tablet's app store
- 2** Search for "**ViewRanger**" and download "**ViewRanger - Hiking Trails & Bike Rides**" by Augmentra
- 3** Use the below web address or scan the QR code and it'll open up with our selection of routes for **Lakeside** (it's up to you whether to create an account, although we do recommend it).

How do I get going?

Simply tap the signpost button in the top left corner of the app and select your chosen route. You can do this from the starting point or back at the hotel, and you can even download the route so there's no need to use up your data allowance while you're wandering.

All of the routes are self-guided so that you can do them at a time and pace that suits you. Here are a few tips to help you enjoy your adventure:

- Check the weather and be prepared with wet weather gear, or a coat, hat and maybe sunscreen when necessary
- Wear sensible shoes or walking boots, most of our routes are on well-worn paths, tracks, trails or woodland and pastoral land. There might be some muddy areas, gates or stiles to cross
- Pack a bottle of water, not all routes have a café or pub en-route
- Capture the beautiful countryside with your camera
- Take your mobile phone just in case of emergency
