Places to visit

History, shopping, museums, art galleries, cider and books! It's fair to call this an eclectic list of places to visit in Herefordshire, but it's a list put together by the people that know it best – our local team. We've picked out some of Herefordshire's finest destinations within easy reach of Holme Lacy House, perfect for a day of exploring the local area before coming back to enjoy some famous Warner hospitality.

Things to do

The natural beauty around Holme Lacy House is often truly spectacular, and we asked our local team to pick out some of the best things to do in Herefordshire for intrepid explorers. There's none of the hustle and bustle of city life to be found here, just the tranquil calm and stunning scenery of rural Herefordshire, one of England's best kept secrets.

We've partnered with ViewRanger to create walking routes for all levels of ability – tap [here](#) for more info.

THE BEST OF OUR GROUNDS AND GARDENS

You won't have to travel far to enjoy some of Herefordshire's most beautiful sights – they're right here within the grounds of Holme Lacy House. With so much to explore we asked our team to pick out three highlights to visit, and this is what they said:

The lake

Set within our landscaped gardens, a walk by the lake offers unobscured views of Holme Lacy House, and with plenty of seating in the surrounding area it's perfect for a picnic. Ask at our Coffee Shop to find out about our takeaway options.

Formal Italian garden ponds

One of Holme Lacy's hidden gems, our formal Italian gardens feature two crystal-clear ponds and water fountains set within immaculately kept herbaceous borders, and a decorative sundial. Join Andrew for our garden tour (on selected breaks) to find out more.

Walled Garden

Hidden away at the back of our grounds is the walled garden, enclosing a formal decorative garden, tennis courts and bowling green. The west outer wall of the garden is home to the Holme Lacy pear tree collection.

OUT AND ABOUT

Herefordshire is famous for its open-air countryside and winding river along the Wye Valley, but visitors can also enjoy cathedral cities, unique sculpture trails, ancient ferries and, of course, cider.

Ralph Court Gardens

In the grounds of a gothic rectory lie Ralph Court Gardens, twelve wheelchair-friendly gardens that include an Italian piazza, an African jungle, elves in a conifer forest, metal sculptures and Alice in Wonderland. Ingredients from the gardens are used in their restaurant, open midday – 2.30pm and well worth a visit.

What is ViewRanger?

ViewRanger is one of the world's leading digital walking guides, available for all Apple and Android devices, that lets you explore local areas and walking routes like never before. We've joined forces to provide a few routes around our hotels and villages for all levels of fitness. With ViewRanger you can follow the map with or without a data connection, with viewpoints, interesting attractions and helpful advice along the way.

How do I download ViewRanger?

It couldn't be simpler!

- 1 Go to your phone or tablet's app store
- 2 Search for "**ViewRanger**" and download "**ViewRanger - Hiking Trails & Bike Rides**" by Augmentra
- 3 Use the below web address or scan the QR code and it'll open up with our selection of walks for **Holme Lacy House** (it's up to you whether to create an account, although we do recommend it).

How do I get walking?

Simply tap the signpost button in the top left corner of the app and select your chosen route. You can do this from the starting point or back at the hotel, and you can even download the route so there's no need to use up your data allowance while you're wandering.

All of the walks are self-guided so that you can do them at a time and pace that suits you. Here are a few tips to help you enjoy this walk:

- Check the weather and be prepared with wet weather gear, or a coat, hat and maybe sunscreen when necessary
- Wear sensible shoes or walking boots, most of our walks are on well-worn paths, tracks, trails or woodland and pastoral land. There might be some muddy areas, gates or stiles to cross
- Pack a bottle of water, not all walks have a café or pub en-route
- Capture the beautiful countryside with your camera
- Take your mobile phone just in case of emergency
