# THE BEST OF OUR GROUNDS AND GARDENS

You don't have to venture far to enjoy some of the great outdoors. Here at Sinah Warren we've got some of the best things to do on Hayling Island right here in our grounds:

## **Woodland wildlife trail**

Take a meandering wander through our gardens and grounds in search of wildlife, with small mammals, seabirds and pheasants all in abundance. The path ends at our secret wishing well – don't tell anyone what you wish for or it won't come true.

## **Mulberry harbours**

A piece of WWII history that can be seen from the Sinah shoreline, Mulberry harbours were developed by the United Kingdom to land troops and supplies en masse without the need for a port. In Langstone Harbour are the remains of a Phoenix caisson (type C).

## **Birdwatching marshes**

Gaze out onto the marshes and you'll be rewarded with unspoilt views of the many migrating and residential birds that call Hayling their home. Keep an eye out for the birds of prey too, with peregrines and buzzards year-round residents, and osprey and white-tailed eagle more intermittent visitors.

# BEACHES, TOWNS AND PARKS

From quiet beaches to the bustling seafront at Portsmouth, the towering cathedral at Chichester to the landscaped park of Staunton, Hayling Island is surrounded by fantastic things to do in the great outdoors.

## West Wittering Beach

Situated at the entrance to Chichester Harbour, this large beach holds the Blue Flag award for cleanliness and safety and is ideal for a traditional day on the sand. In winter months the walks around the sand dunes of East Head are a welcome escape back to nature.

## Southsea beach

Less than a mile from Portsmouth city centre, this mainly shingle beach is home to South Pier, winner of 'Pier of the Year' 2018. Restored to its former glory, this iconic structure has been featured in an eclectic mix of media, from The Who's 'Tommy' to Mr. Bean.

## Emsworth

The coastal village of Emsworth features narrow streets lined with Georgian houses, walled gardens, a mill pond, and spectacular views across the water of Chichester Harbour. The antique dealers and independent food shops give it a delightful old world charm.

## Chichester

The cathedral city of Chichester dates back to Roman times and boasts nearby beaches, shopping, and historic tours. We recommend West Dean Gardens, a restored garden with working Victorian glasshouses, a 300-foot pergola, spring garden and occasional fibreglass 'surreal' trees.

## Queen Elizabeth Country Park

Bigger than the island of Gibraltar, the local council has invested over £2m in improving this pristine parkland over the last two years. The many walks and cycleways are slightly hilly but lovely in good weather, and the new visitors centre restaurant is ideal for a cuppa afterwards.

# THE BEST OF HAYLING ISLAND

There's no need to travel back to the mainland for a great day out in the area. Whether you're looking for a quiet stroll down the beach or something a bit more 'out there', Hayling Island packs a lot into a small space.

## Hayling Island beaches

Over three miles of sandy and shingle beaches facing out into the Solent that have won both the European Blue Flag and the Keep Britain Tidy award, Hayling seafront benefits from sea breezes which keep the temperature just about perfect most of the year round.

## Hayling Oyster Beds & Langstone Harbour

Oysters were farmed on Hayling from 1819 up until the 1970s, and in 1996 they were restored to create a haven for wildlife. Langstone is home to around 25 harbour seals, and on rare occasions bottlenose dolphins and otters have been seen in its waters.

## How do I download ViewRanger?

It couldn't be simpler!

- 1** Go to your phone or tablet's app store
- 2** Search for "**ViewRanger**" and download "**ViewRanger - Hiking Trails & Bike Rides**" by Augmentra
- 3** Use the below web address or scan the QR code and it'll open up with our selection of walks for **Sinah Warren** (it's up to you whether to create an account, although we do recommend it).

## How do I get walking?

Simply tap the signpost button in the top left corner of the app and select your chosen route. You can do this from the starting point or back at the hotel, and you can even download the route so there's no need to use up your data allowance while you're wandering.

**All of the walks are self-guided so that you can do them at a time and pace that suits you. Here are a few tips to help you enjoy this walk:**

- Check the weather and be prepared with wet weather gear, or a coat, hat and maybe sunscreen when necessary
- Wear sensible shoes or walking boots, most of our walks are on well-worn paths, tracks, trails or woodland and pastoral land. There might be some muddy areas, gates or stiles to cross
- Pack a bottle of water, not all walks have a café or pub en-route
- Capture the beautiful countryside with your camera
- Take your mobile phone just in case of emergency
