Our drink recommendations

Choose from a classic cocktail
or a glass of fizz

Daiquiri

This Caribbean favourite dates back to the 1740s. A blend of Bacardi, lime and your choice of fruit juice: choose from strawberry, raspberry or passion fruit.

Piña Colada

The official drink of Puerto Rico, this traditional Piña Colada is a tropical blend of Bacardi, pineapple, coconut, lemon and lime.

Margarita

Hailing from Mexico, this familiar cocktail fuses Sauza Gold tequila with the sharp citrus twist of lemon, lime and orange juices.

Mojito

A Cuban classic, allegedly the favourite tippie of Ernest Hemingway, made with Bacardi, lemon, lime, mint and sugar, to form a refreshing long drink.

Earl Grey Iced Tea

Treat yourself with Harry's twist on the classic prohibition cocktail. This recipe perfectly blends the flavours of Earl Grey tea with Gordon's, lemon and ginger.

Raspberry Sling

Our take on the classic Singapore Sling cocktail, we have created a fabulously fruity and subtly sweet long drink based on the recipe from the early 1900s. Puréed raspberries and blueberries are mixed with lemon juice and Smirnoff Red, finished with a splash of Chambord black raspberry liqueur.

Glass of Prosecco

The drink of the moment, served chilled and ready to enjoy.

Kir Royal

A delicious cocktail mix of rich crème de cassis (blackcurrant liqueur), topped with sparkling Prosecco.

Raspberry Chambord Bellini

Raspberry Chambord liqueur is made with the world's finest black and red raspberries, combined with delicious honey and Madagascan vanilla. This is then delicately topped with Prosecco and a single raspberry.

How about a refreshing gin and tonic?

We prefer to pair all our G&Ts with Fever-Tree Premium Tonic Waters. With their carefully selected natural botanicals and Champagne-style carbonation, Fever-Tree tonics have been crafted to enhance the taste of gin.

Simply select a gin and then choose your tonic.

Bombay Sapphire

A unique blend of Mediterranean lemon peel, juniper berries, almonds and orris, balanced by a heady mix of coriander, liquorice, angelica and cassia bark and spiced with cubed berries and grains of paradise.

Tanqueray

The lemony flavour of cracked coriander seed complements the juniper, liquorice and angelica to give a complex, tangy flavour.

Hendrick's

Made in Scotland with 11 peculiar botanicals and uniquely curious infusions of cucumber and rose petals.

Fever-Tree Premium Indian Tonic Water

Uniquely fresh tasting with subtle and supportive citrus notes that are perfectly balanced by natural quinine.

Fever-Tree Naturally Light Indian Tonic Water

By using fruit sugars, Fever-Tree have created an all-natural, low calorie tonic with 50% fewer calories.
